SENIOR WILLS

I, Konnie Anderson, leave nothing, "I'm taking everything with me!"

I, Wendy Burow, being of questionable mind and body will my watch to Rena Steltzer so she doesn't miss the bus and my undependable camera so she doesn't get caught next time, a sock to Julie, so next time she falls asleep she has a pair, and to Kyla, Blenda, and Keri the ability to go out and actually have some fun with someone besides themselves.

I, David Carlson, with sound mind and boyd will my ability to sing to Dean so that he may sing beautiful in locker rooms and on buses, Dean "Hold on for 1 more day." I also will Jason Ulmer, ability to go to the bathroom and balance at the same time while going down interstate. And also, to both Lee and Brad, the ability to run in those moments of spitting in the bathroom and sleeping on the couch when trouble is about to arrive. Lastly, to Mike Catlette, I will my dog, Whitesox, so that he will be able to have a companion on those lonely nights.

I, Carolyn Grimm, of superior mind and able body will my driving ability to David Carlson in hope that he may never blow up another engine of my car and to Tracy Johnson my sense of direction in hopes that she may find Ellendale coming home from Lamoure and to Trevor Zahn his Gumby, in hopes that someday he may get it back!!

I, Kari Dawn Grueneich, being of brilliant mind and iniproportional body, will Sarah my upper body, Karla my driver's license in hopes that she will learn how to drive legally. To Tanya a new park bench so that she may lie down and see the moon. To Kristi, my car and my boyfriend.

I, Joe Hehr, being of sound mind and hot body will my ability to lose weight to Brad Schmidt and I also will my 62 Fairlane and a fire extinguisher to Janel Kessler for Wednesday nights.

I, Karla Hillesland, being of exotic mind and workable body will to Jason Ulmer a bag of double stuffed Oreo's for those intimate encounters to Randa Richter the ability to find a "sizeable" guy!! To Janel Kessler, a "larger" shower, so that she can be more comfortable.

I, Tanya Holmgren, being of capable mind and Lucious body will to Kari a bottle of Pine Sol to clean the bathroom sink after the big test, and to Karla a waterbed that doesn't fall apart on her and to Randa a boyfriend that is good and big enough for her.

I, Tracy Johnson, being of overworked mind and able body will to Tanya Holmgren a porta potty, as she never knows when she needs, to Carolyn Grimm my driving ability, as her poor has had enough abuse.

I, Lee McDonald, being of brilliant mind and rock hard body will my weight set to Jason T. because we all know who has superior pipes. To Brad Nishek, Jason Bowles, and David Carlson I will my M1A1 in hopes that some day they will get a real car.

I, Kari McRoberts, being of sound mind will my locker to a future senior to enjoy and use as much as I did! Also I will an extra parking space in the parking lot so it is not so crowded for next year!

I, Bradly B. Meidinger, will all lowerclassmen the fun times I have had. With some pain and a little suffering going through Mr. Masset's class. For desert, I will those classmen in sports and music the fun of winning. May God bless you all, and have the best time of your lives at EHS.

I, Brad Nishek, being of sound mind and massive body will Douglas Retzlaff my ability to lose weight without the help of Big Red and to David Carlson all my good Trojan men so the next time he might actually get the job done.

I, Andrew Persteiner, being of sound mind and body will to Jody Ditus the ability to smile when you get your picture taken. I will to Cody Sand the knowledge to junk a Ford and buy a Chevy. I will to Brad Nichek a Pontiac Grand Prix in hope for him to finally have a real car.

I, Randa Richter, of an arrogant mind and a body with potential will my abiltiy to get excited without the use of a Skill Twist to Tanya Holmgren and a piece of Big Red for that extra long time in the pickup! To Karla Hillesland the ability to keep her head up and to Tracy Johnson the ability to stay calm when those certain gentlemen start their engines.

I, Mike Schmidt, will to Cody Sand the ability to buy clothing in hopes he will get a new shirt and to Tanya Holmgren \$20.00 in hopes she will get a real haircut.

I, Rena Steltzer, of sound mind and able body will Tracy Johnson a set of Golf Clubs so she will be prepared next time to "play" golf. To Tanya Holmgren I will an entire year's supply of batteries so she will always be "energized" and lastly, to Julie Tank I will my ability of doing things constructively insted of just "standing there," Right, Bugs?!

I, Ron Schock, being of sound mind and body will to Doug Retzlaff the ability to wave at the law enforcement with both hands and both feet so he won't have to do it with one finger! Also, I will to Brad N. the ability to set up a tent so I won't have to sleep on the hood of my car.

I, Julie Tank, will my ability to walk in front of the school without being stopped by the cops to Rena, also, I will her my watch so she won't miss the bus anymore! I will Wendy the ability to finish things that she starts without any interruptions.

I, Jason Ulmer, being of sound somewhat mind and massive body will to Mike C. my Saddam like skills when playing whist; to Dave C. I will my sensational abdominals since he has none to brag about, and to Karla H., UGH!, my ability of keeping my body free of hickies.

I, Dean Zimmerman, will to Nate "Jerry's Kid" Brown a 1983 Z-28 Camaro so he does not have to mooch a ride from me, and to Kim Stefonawicz a puncture proof sleeping bag so the corn stalks don't poke through.

BEST FRIENDS

You were there for me in the good times and helped me through the bad. Keeping me on a straight road, and carrying some of the load. We had some fun times in the winter, and good times in the spring. The Proms, Homecomings together, the laughter each one brings. As friends we'll live forever remembering the past, seeing what we really did, then beginning to laugh. To you my friend, I give you the world to take as yours. To teach, and learn, to live and grow. You'll always open some big door. Look forward to tomorrow and never forget the past, and remember, best friends will ALWAYS LAST!

As Juniors we face many responsibilities. A major one is to come up with enough money for prom and to accomplish the task of organizing it. Not only do we face that, but we must start looking toward future goals. We must start thinking of ways to answer such questions as: Where should I go to college? What should I major in? How will I raise enough money to support myself? Even though we face these baffling questions, we still find the time to have fun. It's at these times that we'll look back and remember. The jokes, the crazy people and the memories of friends who always stood behind us. Being a Junior means many things, but, most of all, it means facing challenges and overcoming them.

The Sophomore class this year kept real busy doing their own thing. We have quite a few good athletes in our class, which participate in wrestling, basketball, drill team, football, track, and golf. Academically, well, we were suffering a bit. I'm not saying we have a dumb class by any means, but we didn't have as many people on the honor roll as we should have. Earlier in the year we put on a "Jerry Lewis" telethon for our homecoming skit. It went well and a lot of people took part in making it work. I, as president, thought the year went smoothly and am looking forward to next year. Written by: Jeremy Ulmer

The Freshman class of -94- is a class of 24 unusual people. Our class has been proclaimed the worst class of all. We might be the worst, but we have a lot of fun no matter what we do. The class of -94- has a lot of spirit for our school and lots of talent. As our class president says "we strive academically with five people on the honor roll in the first semester!!"

The 8th Grade class this year was a very energetic class. We all love to hang around together, have fun times, and we like to cheer on the people in our class. Our sports this year involved basketball, football, wrestling, cheer-leading, and Jr. High Drill Team. In girls' basketball we took first in the "Y" tournament. This year in 8th grade we have taken a step up to getting big lockers, better locker rooms, and just getting to know our class a little bit more. As 8th graders we look forward to next year at EHS. Seventh Grade is like first grade except harder. It's like first grade because in grade school the 6th grade was top dog, but going from top dog to little 7th graders is hard.

Yes, there are teachers that you could care less for, but as the year goes along you get to like them. The classes are easy but you must work for your grade.

The first day of 7th grade wasn't all that confusing. All you need to follow is your schedule. Yes, you will be late for a class if you just take your time.

Seventh grade is a great experience which, in my opinion, everyone will like!

The 1990 Cardinal Football team had a rebuilding year due to the loss of a very talented Senior class. Even though the Cards were young and inexperienced, they put up a valiant effort. They played with enthusiasm and desire even when the odds were undoubtedly stacked against them. The Cardinals finished the 1990 season with a respectable record of 4 wins and 4 losses and a lot of memories that will last forever.

The Ellendale wrestling team had a very exciting year. There were many new faces on the team this year. The varsity lineup consisted of all ages. Mr. Ulmer and Mr. Neil worked the wrestlers hard in order to meet their goals. The wrestling team sent five wrestlers to state. They came away with two sixth place finishers. The Ellendale Wrestling Team should be a force to reckon with in upcoming years.

— Captain Brad Nishek —

The Ellendale Basketball team had a pretty good season this year. Winning the Cowbell game in double overtime was quite exciting. We had a very long stretch of away games that made the season look down. But getting 3rd in Districts was something to end this year on a good note. I regret that this year is my last year because of all the guys and atmosphere of the game. But I look forward to watching the guys win next year and having a great season. And a hat off to Mr. Graf who put up with us all year and the coaching he has done.

Great job, Girls! It was a lot of fun playing volleyball with you. I especially enjoyed the jokes and cheers on the bus. Even though we weren't state contenders, we sure gave it a try. Thanks for the fun and memories.

KGB Today!

Bo don't know us!

I think I might like this.

Homecoming week was full of fun and surprises. All of the memories we shared during this week will never be forgotten. One memory was the Junior class of '92 who won the spirit award. There was a lot of hard work that was done. You could see all the spirit that was shown from all the posters and the pep rally. To end the perfect week our mighty football team won the Homecoming game 42-6. With this we danced the night away at the victory dance, with Tuna's Tunes! Thanks Ellendale High School for a perfect ending!

Another ten bite the dust!

I'm a natural — I know these things.
